"of Travelling Kitchen"

As regards the repair of above I negotiated with S.O.M. Simpson, who advised me he could not do anything else but light repairs. I intended on 3 (three) occasions to take these Cooks to his works for inspection, but in each case was unable to, owing to moves & prospective moves. I have in hand quotes to complete fixtures, but it requires S.O.M. workmen to fit same. I have indicated on D.A.B. for new Sarpasies to complete and can reasonably expect same within a week.
