

RECORDS CONCEALED AT "CYCLE" CAMP, BATAVIA.

* Relative position of documents.

Documents relating to the action of H.M.A.S. "PERTH", and other official documents, are secreted in a cellar of the "Blue Room", 10th Battalion Camp (otherwise called "Cycle Camp") in the right hand side cemented wall about 4' from the floor and 3' from the back wall. Discolouration of the concrete may provide additional clue.

N.B. Lt. ^{THODE} ~~Theod~~ of H.M.A.S. "PERTH" imprisoned in "Cycle Camp" when last I saw him may have recovered the documents since his release.
