

## MEDIA ALERT

### Moment Captured in Time

Renowned journalist and author, Les Carlyon, will tomorrow launch *Moments in Time: Dioramas at the Australian War Memorial*.

Designed to illustrate to the Australian public what the battlefields were like, the dioramas have become an iconic part of the Memorial, with their historic detail capturing the imagination of visitors both young and old.

*Moments in Time* details the creation of the Memorial's unique collection of dioramas, unparalleled anywhere else in the world, and places the dioramas in their historic context.
