I should note that on page iii I referred to archival research in Turkey, when I meant 'Australia': I conducted field work in Turkey only. On page v 'Çannakale' should of course be 'Çanakkale'. I'm also embarrassed to have mis-spelled Wes Olsen's name as 'Olson': a common mistake which must be aggravating for him. Finally, I should have acknowledged the work of Mr John Bentley of the University of Wollongong, whose doctoral thesis on Brudenell White – still in progress – was useful.
