

Primary School Social Story

I am going to visit the Australian War Memorial in Canberra.

I will travel on a bus with my class and my teacher.

When I get off the bus, I will be placed into a group with some of my classmates and a teacher.

An educator will take my group into the Australian War Memorial. They will be kind to me and look after me while I am here.

I will follow the educator into a big room with aircraft in it. The room is a bit dark but I will be safe.

I will sit down and watch a short film about the Australian War Memorial. I will do my best to listen and watch.

The educator will take my group to see lots of interesting things. They will ask questions about what I can see.

It is important I stay with my group at all times.
This will keep me safe.

The educator will also tell me interesting facts. I can put my hand up if I have a question.

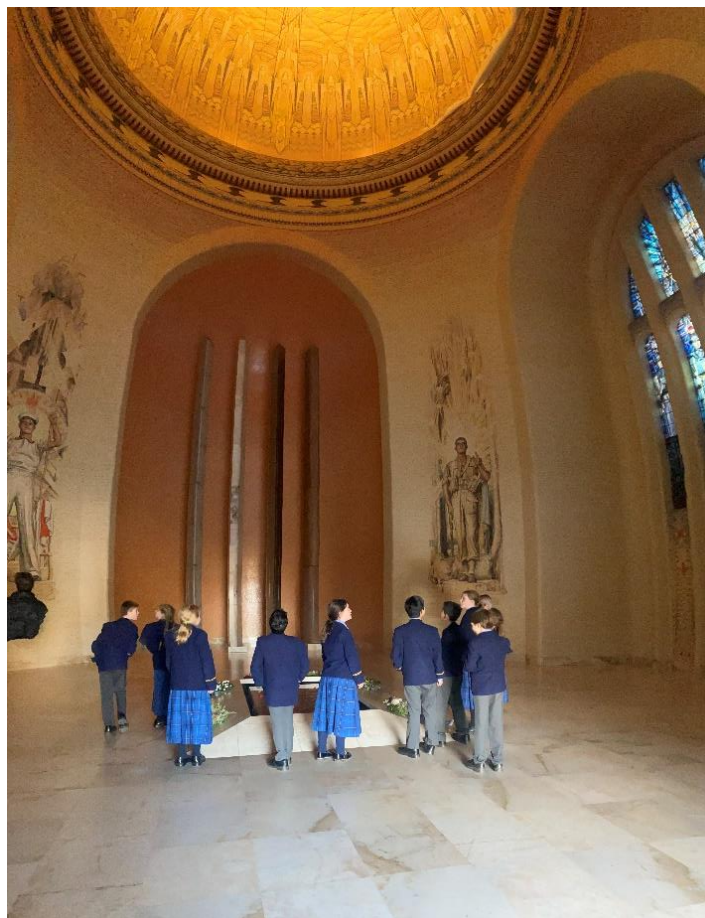

Some places might be noisy or busy. If I need a break, I can tell my teacher.

I will go outside with my group to visit the Commemorative Area.

When I go into the Hall of Memory, it may be a bit dark and have an echo. I will quietly tell my teacher if I need a break.

When the visit is finished, I will get back on the bus and leave the Memorial.
