

Senate Order for Entity Contracts

Period: 01-July-2022 to 30-June-2023

Pursuant to the Senate Order for entity contracts the following table sets out contracts entered into by the Australian War Memorial which provide for a consideration to the value of \$100,000 or more (GST inclusive) and which:

- a) have not been fully performed as at **30-June-2023**, or
- b) which have been entered into during the 12 months prior to **30-June-2023**.

Most of the contracts listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be obtained or generated in carrying out the contract.

The reasons for including such clauses include:

- a) ordinary commercial prudence that requires protection of trade secrets, proprietary information and the like; and/or
- b) protection of other Commonwealth material and personal information.

The accountable authority of the Australian War Memorial assures that the listed contracts do not contain any inappropriate confidentiality provisions. Authority for the approval of this senate order has been delegated to the Assistant Director, Corporate Services (ADCS).

Estimated cost of complying with this Order: \$ 500.00

Method used to estimate the cost: Applying salary and on-costs to the number of hours spent by staff across various classifications to collect and analyse the information.

Leanne Patterson

Assistant Director, Corporate Services (ADCS).
